NOTICE OF ANNUAL MEETING

Greater Ramsey Water District (GRWD) will hold the annual meeting for all members on Tuesday, February 4, 2025 at 7 p.m. at GRWD's office located at 113 Shamrock Ln SE, Devils Lake, ND.
Published Jan. 20, 2024

NOTICE OF HISTORIC BRIDGE AVAILABLE FOR ADOPTION

Eddy County, in cooperation with the North Dakota Department of Transportation (NDDOT) and Federal Highway Administration (FHWA), is proposing to remove the 6th St N. bridge (Bridge No. 14-108-12.0), crossing the James River in the City of New Rockford, ND. The bridge has been rated as in Poor condition in the National Bridge Inventory database and is currently closed to all traffic.
 The bridge is a single-span, bolted Warren truss bridge that measures 169.9' long (with a max span length of 97.1) and 17.7' wide that spans the James River. According to county records and signs posted on the bridge, it was constructed in 1904 by the Fargo Bridge & Iron Company and in 1997 the bridge was listed on the National Register of Historic Places. Therefore, the bridge must be considered for the Bridge Adoption Program (23 USC 144) prior to its removal. Eddy County and the NDDOT is announcing that the bridge is currently available for adoption during a 30-day advertisement period ending February 14, 2025.
 The bridge is available to any responsible entity that is willing to take ownership of, relocate, and maintain the bridge at its new location. The adopting party would assume all future legal and financial responsibility associated with the bridge. The bridge is currently closed to traffic due to the condition of the overall structure and abutments.
 Any interested parties should respond by February 14, 2025 to Daren Peterka, Interstate Engineering - Project Manager, at 701-252-0234 or Daren.Peterka@interstateeng.com.
